Dear Community Partner,

The Family Violence Prevention Center of Greene County (FVPC) believes in empowering and motivating victims to move past violence they have experienced to create better lives for themselves and their children. Our mission is at the core of everything we do, and it fuels us to strive to greater heights: *"We reduce family and relationship violence and its impact in Greene County through prevention, intervention, safe-housing and collaborative community programs."* FVPC is the **sole** provider of family violence services to Greene County residents.
