

## Services and Programs

### PREVENTION

**Violence Free Relationships**, a structured family violence prevention education program for all Junior High School Students in Greene County public schools

**Life Skills Training**, a structured dating and domestic violence prevention education series for all Senior High School Students in Greene County public schools

**High Risk Youth** prevention education programs provided weekly in the Greene County Juvenile Detention Center

**Workplace Violence Training**, a one modular training helping businesses understand the dynamics of workplace violence and how domestic violence in the home can affect the workplace.

### SAFE HOUSING

**Crisis Hotline**, 24 hour county wide domestic violence crisis intervention, information and referral for victims, their families, community members and social service agencies

**Housing Program**, ("safe shelter") short term transitional safe housing

**On Behalf of FVPCGC** partnership with Xenia Goodwill to receive in-kind gifts and provide gift certificates to clients

**Aftercare**, a service provided for clients who have been shelter residents or received other FVPC services. Aftercare can involve case management or the aftercare support group

**Volunteer and Student Internship Programs**

### INTERVENTION

**DIVERT**, Xenia and County DIVERT crisis response in collaborative partnerships with law enforcement jurisdictions throughout Greene County to offer home and community based services to families experiencing domestic disputes or domestic violence

**Domestic Violence Intervention Program (DVIP)**, therapeutic and educational group counseling for batterers working to prevent future cycles of violence

**CHOICES**, therapeutic and educational group counseling for teenagers working to prevent future cycles of violence

**Emergency Hospital Response** to Greene Memorial Hospital for victims of domestic violence

### OUTREACH

**Community Presentations and Outreach** to educate the public about dating and family violence

**Healthy Homes**, an eight week education program focused on breaking the cycle of violence in families

**Smiles**, a therapeutic group for children who have witnessed or experienced family violence

**Safe Havens Case Management Services**, a collaborative effort with the Greene County visitation Center to provide supportive services and advocacy to domestic violence victims and their children while there is a court ordered requiring visits and/or exchanges to occur at the Visitation Center.

**Outreach Services** throughout Greene County including counseling, case management, information, referral, support, education, material aid and transportation in collaboration with other Greene County agencies

**Healthy Couples**, a skill building group experience for couples seeking to enrich their relationship and increase positive communication.

**Adopt-A-Family** program assists victims and families in need during the Holiday Season

**Individual Counseling**, an individual approach to help victims recover from past and/or present abuse

**Phase II**, a longer term group counseling program to help adult victims recover from the trauma of abuse

**Voices**, a weekly small group providing education and counseling for teenagers who have experienced family violence
